

TAYANA T64

TAYANA T64

BASIC SPECIFICATION

L.O.A	63' 9" / 19.43m
L.W.L	55' 10½" / 17.03m
BEAM	18' 11/16" / 5.5m
DRAFT (STANDARD)	8' 0" / 2.43m
DRAFT SHOAL (OPTION)	6' 10" / 2.08m
DISPLACEMENT	61098 lbs / 27713 kg
DESIGN SPEED	10.3 Knots
SAIL AREA (CUTTER)	2075 ft² / 192.8 m²
ENGINE (YANMAR)	4 cylinder 160hp diesel
SAILS (UK)	Main, Yankee, Staysail
WINCHES (LEWMAR)	2 x 77/3 cst, 2 x 77 cst, 2 x 50 cst, 2 x 44 cst
ANCHOR	Maxwell VWC 3500

DETAIL SPECIFICATION

AUXILIARY PROPULSION SYSTEM

- Yanmar 4LHA-HTP 160HP
- Tp. 316 S/S shaft 1-3/4"
- Tp. 316 S/S strut
- 3-blade propeller
- Morse E02400 bearings
- GRP water lock
- Racor 500 MA fuel filter
- Single lever shift & throttle control
- Lasdrop shaft gland
- Engine room blower
- G.R.P. drip pan under engine

STEERING & ANCHORING SYSTEMS

- Cable steering system
- 48" Stainless steel steering wheel
- Emergency tiller
- Vetus bowthruster 160kgf
- Maxwell VWC 3500 windlass, dual direction with remote control
- Stainless steel anchor roller (excluding anchors)
- Chain locker

ELECTRICAL POWER SOURCE

- A.C. 110/240V
- Shore power receptacle 50A
- 110/240V outlet throughout
- 110/240V Ground fault interruptor outlets in heads
- D.C. 12V
- Engine start - 200 AH battery x 1
- Genset start - 200 AH battery x 1
- House bank - 200 AH battery x 3
- Newmar battery charger (or equal)

DECK HARDWARE

WINCHES - Lewmar (or equal)

- 77/3CST x 2, 77CST x 2
- 50CEST x 2, 44CST x 2

TRACKS & TRAVELLERS

- Main sheet system -Lewmar
- Main sheet track
- Main sheet track car
- Main sheet track control end stop
- Main sheet track single sheave control line
- Main sheet track control line fairlead block

TOE RAIL & STANCHIONS

- Aluminum toerail with fair leads
- Stainless steel stanchions, 1-1/4" dia.
- Stainless steel bow & stern pulpit
- Stainless steel boarding gate both sides
- Stainless steel ladder
- Double life lines with gates

HEAD SAIL SYSTEM - Lewmar

- Genoa track
- Genoa car port side & starboard side
- End stop

STAYSAIL SYSTEM - Lewmar

- Staysail track
- Staysail car
- End stop
- Staysail sheet lead block

HATCHES, PORT LIGHTS, & VENTILATORS

- Hatches -Lewmar (or equal)
- Port lights (Stainless steel or equal)
- Stainless steel opening port lights
- Lewmar Ocean series port lights on hull.
- Ventilators (Stainless steel or equal)

OTHER DECK HARDWARE

- Cleats
- Mooring cleats: Stainless steel 15" & 12"
- Foot blocks: Lewmar
- Main sheet fiddle block locates after end of boom
- Main sheet fiddle block on traveler car
- Main sheet lead block at boom
- Main sheet lead block on deck near mast
- Block upstand
- Mast collar lead block
- Line organizers
- Rope clutch

APPLIANCES

- Refrigeration system: Grunert 115/240V system with built in fridge & freezer (4" insulation)
- Cook top range with oven: FORCE 10 - 61351 (or equal), 3-burners with LPG solenoid switch & panel
- Microwave oven: SEAWARD (or equal)
- Desalinator, washer/dryer, trash compactor, ice maker, dish washer, etc, are optionally available

ILLUMINATING

- Overhead lights: CANTALUPI "TEBE"
- Reading lights: CANTALUPI "PATTY"
- Hanging locker lights: Local 12V
- Engine room light: Stainless steel dome lights
- Lazarette light: Stainless steel dome light
- Chart light: HELLA (or equal)
- Navigation light: Aqua Signal

TAYANA T64

WIRING

- Newmar ES-5 deluxe master panel
- A/C ship/shore switch
- D/C battery select switch

PLUMBING

FRESH WATER SYSTEM

- 12V water pressure system (or equal)
- 110/240V water heater (or equal)
- Stainless steel sink & single lever faucet in heads
- Stainless steel double sink & single lever faucet with sprayer in galley
- Foot pump in galley

BILGE SYSTEM

- 12V electric bilge pump x 2, with floating auto switches
- Henderson double action hand bilge pump (or equal)

GRAY WATER SYSTEM

- 12V sump pump (or equal) in each sump tank
- Head sinks discharge to sump tank
- Galley sink drain discharge to sump tank

SANITARY SYSTEM

- Raritan toilet (or equal)
- All toilet Y-connected to allow both overboard discharge and holding tank collection
- Two suction holes on deck for each holding tank
- Macerator pump

TANK VENTS

- Fresh water tank vents
- Holding tanks vent overboard
- Fuel tank & sump tanks vent through cockpit coaming

RAW WATER INTAKE

- Main engine & generator have their own sea water inlet with adequate strainer
- Cooling water pump of refrigeration system has its own sea water inlet
- Sea chest with strainer supplies toilets

MISCELLANEOUS

- Fabric cushion for berths & settee
- 1" lead & foam insulator with aluminum sound absorbing veneer surrounding machinery compartment
- Electric ventilator in machinery compartment
- Metal parts grounded and zinc protected
- Tank tenders
- Copper screens

INTERIOR

- Satin varnished teak veneer bulkheads & lockers in staterooms and saloon
- Corian countertop on inside of heads and galley
- Teak planking a top white formica on bare hull sides
- Teak & holly cabin sole, teak grating in shower stall
- Removable ceiling panels with vinyl headliner
- Solid teak doors, fiddles, and trim plates
- Schwepper door locks & latches (or equal)
- Dovetail jointed drawers
- Sagasuni door latches
